Compatibility: Official OrganicsRx Supergrow is compatible with most fertilizers, plant nutrients and pest control products. For best results, a physical and plant compatibility test is suggested before applying.

Storage: Store unopened bags in a cool, dry place away from moisture.
Application suggestion: use entire bag after opening.

Expiration: Fertilizer can be used up to 12 months from the purchase date when stored correctly.

Handling: Official OrganicsRx Supergrow is non-toxic and considered safe when handling. Wash exposed skin after prolonged exposure with warm soapy water. Not edible for human or animal consumption.

Visit www.OrganicsRx.com for suggested applications, trial data, heavy metals and pathogen lab reports.

Official OrganicsRx Supergrow vegan, water-soluble powder fertilizer is packed with essential micronutrients that helps support healthy yields of strawberries, leafy greens, vegetables, fruit trees, grapes, flowers and turf. Our one-step fertilizer won't clog driplines or foliar equipment, and tested for E.coli, salmonella and pathogens prior to distribution.

Commercial Farming Suggested Application:

For best results, we suggest a physical and plant compatibility test before applying. For dripline and foliar applications, apply weekly or bi-weekly depending on crop. Please refer to our website for suggested application information.

Greenhouse, Home & Garden Suggested Application:

For best results, we suggest a physical and plant compatibility test before applying. For dripline and foliar applications, apply weekly or bi-weekly depending on crop.
